ROY E BROWN

WEB & MULTIMEDIA DIGITAL DEVELOPER

Understanding of HTML5/CSS, PHP JavaScript | Customizing & modifying WordPress themes and plugins | Experience with responsive design | Experience with cPanel server side data driven technologies such as myPHPadmin, mySQL, DAX, MS Power BI | A curious, quick learner who works well with others

WORK EXPERIENCE

Black Rocket
Digital & Multimedia Creative Instructor | 2012 - Present
As lead Instructor I provided unique enrichment and educational classes to children ages 8 thru 15 in creative sciences and digital arts focused on the intersection of creativity and technology.

Anchor Beverages
eCommerce Design & Maintenance | 2019 - Present
Transfer and re-design eCommerce website from ASP to BigCommece Platform. Create visual graphics for sales events, emails, and product packaging. Create Email marketing Campaigns.

Retrofit Design
Web Designer & Developer | 2008 - Present
Design, develop and maintain custom websites for our clients using PHP, HTML5 Wordpress, Big Commerce, Shopify and more. Navigate the world of server-side technology by offering VPN cloud services to clients in the ever-changing world of web and email administration.

CyberSecurities
Web Auditor | 2016 - 2018
Under a government appointed contract, I provided independent, objective oversight to SBA Women's Centers around the United States, to improve the integrity, accountability, and performance of the SBA and its programs for the benefit of the American people.

Novak-Birch
Web Design & Developer | 2007 – 2009
I worked tirelessly alongside a wonder team of creative artists determined to breathe new life into our clients' digital domain while also meeting the demands of our project managers' expectations of the website's needs.

EDUCATION

Bachelor of Fine Arts | Maryland Institute College of Art

Associates Degree Industrial Design | Art Institute of Philadelphia
